PROPER HANDLING OF DEER CARCASS

Field dress, remove anal tract, wash, and start chilling deer with ice within 90 minutes. Chill carcass with bags of ice inside and between the legs, even if it's cold outside! Keep legs open and place ice on them. If trimmings only, place chilled trimmings in bags with **NO blood, hair, ice, or water**. We will **REFUSE** your meat if it has not been taken care of properly.

***DO NOT put your trimmings into scented garbage bags!!!**
